Fashion Camp for ages 7-10 combines exciting hands-on activities with age-appropriate instruction in fashion, fitness, social graces and personal grooming. Girls are encouraged to express themselves freely in a fun, friendly and relaxed atmosphere.

HEALTH & FITNESS Campers learn basic nutrition from our camp nutritionist. This class helps campers understand a well-balanced diet and encourages them to discover nutritious foods and healthy snacks. Girls also become yoga divas for the day as they learn some basic yoga moves and stretches.

Parents: Please note that Modeling Camp does not promote or encourage any type of weight loss. Our emphasis is strictly on a healthy diet and healthy living.

SOCIAL GRACES All young ladies should have impeccable manners. Manners taught include table manners, restaurant manners, introductions, greetings, posture and cell phone etiquette. Instruction is given using role-playing activities, which makes learning fun, interactive and lasting.

MINI MAKE-OVERS

All girls love to play with make-up! Even young girls! Campers receive an age-appropriate introduction to the world of make-up with a fun mini make-over session.

HAIR STYLING

Do you run out of creative ideas for hairstyles? Campers learn how to create 'movie star' hair styles for all hair types in just a few minutes. Campers have fun using hair jewelry to jazz up their new look, and then create their own unique hair accessories.

DIY FASHION

Campers turn old clothes and accessories into new 'superstylin' creations! 'Do-it-yourself' this summer and turn old T-Shirts, shoes and jeans into new creations! Save yourself money, become a fashion diva for the week and let your imagination run wild!

"It was fun and gave me confidence. It was my favorite camp ever. I am so coming back next year!"

ADD ON PHOTO SHOOT CAMP!

All Virginia campers have the opportunity to add on **Photo Shoot Camp Virginia** - an advanced photo shoot session held on location every Saturday following the four day boot camp.

Here girls have the opportunity to shoot outside on location in Virginia at a private one on one photo shoot with a fashion photographer! It's a great way to add to the studio pictures you will be getting for your portfolio from camp and also an amazing opportunity to get some fabulous pictures of yourself.

Girls have their hair and make-up done for them by hair and makeup artists and then have their own private photography session shooting in three outfits!
