Do you dream of becoming a model? If you answered YES, then Modeling Workshop is the ideal camp for you!

This exciting, empowering summer camp introduces girls ages 11-17 to the world of modeling and fashion and steps them through a series of workshops, photo shoots and daily challenges led by industry professionals.

Girls learn about modeling in a fun, non-competitive environment and walk away not only with the knowledge of how to get in to the industry but with valuable life skills that they can apply to their everyday life.

This program is a wonderful opportunity for girls to take their modeling aspirations to the 'next level' and a fun and positive way to learn about the industry!

*"I think that Modeling Camp is a great program as it not only teaches you skills that will be applicable in many situations for the rest of your life but it is also a fabulous confidence builder."*

- Danielle, Age 15

## HOW TO GET STARTED

Learn the inside scoop on what it takes to be a model, how to choose a modeling agency, how to put together a modeling portfolio and how to get started.

## TOOLS OF THE TRADE

A comp card? A go-see? Get familiar with common modeling terms, find out the must-haves for all models and what items a model should have on them at all times.

## CASTING CALLS

This day will be your 'casting call'. Girls learn how to successfully handle a model casting call. Learn how to dress, what to bring, what to say, what to do and how to outshine all the competition!

## PHOTO SHOOT WITH A FASHION PHOTOGRAPHER

Campers have their own private, studio photo shoot with a professional fashion photographer. This can be a great way to start a modeling portfolio or an exciting opportunity to get great pictures for yourself, your family and friends

**Parents: Please note that prints are NOT included in the session fee but will be available for purchase at the private photo review appointments which are held after your camp session.**

## TV COMMERCIALS

Models are often required to act for TV commercials and movies. Girls are taught how to project their personality in front of the TV camera. At the end of the class, girls attend mock castings!

## MAKE-UP TIPS FOR MODELS

Learn advanced make-up tips from a professional make-up artist. Learn the inside secrets on how to accentuate your positive features and camouflage your not-so-perfect ones for the camera, castings and runway.

## A MODEL PERSONALITY!

Modeling is not just about taking a pretty picture. It's about your personality and how you treat others around you! The importance of possessing a good personality in the business is reinforced.

**The Washington Post**  
 "One of the region's most popular summer camps."

## MOVEMENT & ATTITUDE

It's all in the eyes! Campers learn how to pose, how to project their attitude, how to smile with their eyes and how to move with ease when they are in front of the camera.

## A MODEL WORKOUT

Exercise should be a part of every model's regimen. Campers enjoy a full workout which will get your heart pumping, your feet stomping and your muscles growing! Not only is this a complete cardio, strength, and stretch/yoga class, but you will also learn about nutrition, fitness and more!

## MODEL DEVELOPMENT

If desired, *Modeling Camp Model Development Division* will continue to work with campers after camp to help them enter the modeling industry. Campers receive a 'what to do next' information packet, including a list of local modeling agencies.

## FASHION DIY

Campers learn how to recycle old clothing in to new, super stylin' creations! Save yourself money, become a fashion diva for the week and let your imagination run wild!

## RUNWAY TRAINING

Campers spend a day with a runway choreographer learning how to walk the runway and the turns and pivots that all runway models must know.

## FASHION SHOW

On the last day, all campers will have the opportunity to participate in our graduation fashion show. This exciting event is a wonderful way to say goodbye to our campers as they walk down the runway with *confidence and style!*

## MODELING CAMP TOP MODEL

Campers participate in our own *Modeling Camp Top Model* competition. Each day, campers are set challenges to accomplish by industry professionals. Winners receive prizes such as extra frames in the photo shoot, more time with the choreographer or an extra take for the TV commercial! At the end of the week, a *Modeling Camp Top Model* is announced!

## ADD ON PHOTO SHOOT CAMP!

All Virginia campers have the opportunity to add on **Photo Shoot Camp Virginia** - an advanced photo shoot session held on location every Saturday following the four day boot camp.

Here girls have the opportunity to shoot outside on location in Virginia at a private one on one photo shoot with a fashion photographer! It's a great way to add to the studio pictures you will be getting for your portfolio from camp and also an amazing opportunity to get some fabulous pictures of yourself.

Girls have their hair and make-up done for them by hair and makeup artists and then have their own private photography session shooting in three outfits!
